About Boys & Girls Clubs of Metropolitan Baltimore

Our Mission:

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

We never take a single approach to help kids succeed. It takes caring mentors, such as our trained Club staff. It takes a safe place, like our Clubs that are consistently there for the kids they serve. It takes innovative, quality programs designed to empower youth to excel in school and lead healthy, productive lives. We do whatever it takes to ensure all kids have a great future.

Our work throughout the Baltimore region and on Maryland's Eastern Shore provides more than 1,000 young people with safe, inclusive environments, supportive peer and mentor relationships, and outcome-driven programs. This formula creates opportunities for youth to grow, thrive, and become the best versions of themselves.
