

Summer Is For the Kids.

BOYS & GIRLS CLUBS
OF METROPOLITAN BALTIMORE

At **BGCMB Summer Camp**, Club members get access to all the thrills of **being outdoors**, playing with friends, and **exploring** their interests, while also having the safeguards of **caring mentors** and **learning-based activities**. Through our strength-based programming, educational and fun **weekly field trips**, and dedication to giving every child the summer they deserve, we've done our best to create a productive, safe and **AWESOME** camp experience.

Want to see the magic for yourself?

Come to one of our **three Club tours** this summer and join in the fun!
